Authorization to Release Information

for Operating Entity, Real Estate Holding Company, and Affiliates

I, as the Undersigned, hereby authorize Dakota Business Lending and/or the U.S. Small Business Administration, its successors or assigns, to pull credit reports, and any other confidential reports, required in the evaluation of the attached loan application and the servicing of the loan, if approved, throughout the full term of the loan. I authorize Dakota Business Lending or the U.S. Small Business Administration, its successors and assigns, to release necessary loan information to other entities, as required for processing the loan application or servicing the loan, as well as to request and receive any private information of the Undersigned from other entities, including but not limited to, insurance companies, lenders, and accountants/bookkeepers.

I certify that I am not delinquent more than 60 days under the terms of any (a) administrative order, (b) court order, or (c) repayment agreement requiring payment of child support

I certify that I have never caused the government a loss as a result of a prior borrowing relationship (whether a direct business or personal loan), a loan in which I was a guarantor, or a loan to a business in which I had an ownership interest. Loans include but are not limited to student loans, government guaranteed residential mortgages and business loans, both direct or government guaranteed

The undersigned hereby certifies that the information provided in the attached loan application and any related attachments are true and correct. The undersigned understands that the false statements may result in the denial of the loan request

The following fees relate to all SBA 504 loan applications are to be paid by the borrower once incurred whether the debenture is approved/funded or does not move forward for any reason: Application hard costs (credit reports, tax transcripts, etc.), \$400 for RSRA Environmental Study plus any additional environmental testing needed, all hard costs associated with closing a loan (title policy, recording, UCC, SOS Certified Articles, Flood Cert, etc.) and any loan specific approved fees associated with the loan. The environmental testing fees are due prior to testing being ordered. The application and closing hard costs are due at the time of the SBA loan closing. Any loan specific fees are due prior to action taking place.

I am applying for financial support from Dakota Business Lending through the SBA guaranteed loan program. I understand that a report will be acquired prior to approval of the SBA loan to determine eligibility for SBA financing. This report is the Credit Alert Verification Reporting System (CAIVRS) to determine if any of the individuals or businesses have outstanding Delinquent Federal Debt or Prior Loss caused to the federal government. I also understand that if the small business defaults on the SBA-guaranteed loan and SBA suffers a loss, the names of the small business and the guarantors of the SBA-guaranteed loan will be referred for listing in the CAIVRS database, which may affect their eligibility for further financial assistance.
